ZOOMLINE NETWORKS TECHNOLOGY
ZOOM YOUR NETWORK

about
ZOOMLINE

ZOOM LINE NETWORKS Technology is value added distribution company that represents leading technology and telecom vendors such as OPTRONICS PLUS, D-Connect structured cabling, TOTEN CABINETS, CLEVER PDU & N-Net Industrial Media converter etc. in the Middle East and Africa.

We are specialized in Structured Cabling System, Fiber Optic Cabling System, Server Racks & Enclosures, Power Division Units, Cable Management System, Active Network Systems, Industrial Media converter, UPS, Testing Tools & Equipments. Since its inception as a trading company over the years manage to diversify into export and become a leading supplier in the region.

our
MISSION

Our Mission is to serve the customer through our end-to-end Networking Solutions and develop customized solutions that help your company to meet your business objectives. We always work towards meeting our customer's requirements by providing them with networking products of high quality at reasonable prices and within the promised delivery schedules.

our Portfolio
of Products included

≪ Structured Cabling Systems Data/Voice (Copper).

≪ Fiber Optic Cabling Systems.

≪ Server racks and Enclosures.

≪ Power Distribution Unit (PDU).

≪ Network Testing & Measurement Equipments Tools and Consumables

≪ Cable Management Systems.

≪ Active Network Systems.

≪ Industrial Media converter

≪ HP SERVER & HP WORKSTATION

≪ Uninterruptable Power supply (UPS).

Standard :

- Comply with ANSI/EIA RS-310-D IEC297-2 DIN41494; PART1 DIN41494; PART7 Standard.

Degree of Protection:

- IP20

CLEVER
A brand of legrand

- Power Distribution Unit
- IP PDU, SI - PDU
- NPM-Network Power Manager
- EMS-Environment Monitoring System
- ATS-Automatic Transfer Switch
- PCDS - Power Controlling Distribution Systems
- SPDU-Sequential Power Distribution Units
- SPD - Surge Protection
- Metered and Switched PDU

Designated Modularized and multi - functional power distribution unit for cabinet.

Power Distribution & Management, Modular Structure, Customized Production

KEY FEATURES

- Clever is Certified by international quality system ISO 9001:2000.
- All the source materials are environment friendly and RoHS complaint.
- Design based on international standard and hold several patent of invention.
- Clever holds a consistent idea of "human based, Technology advanced quality.
- Leading the Global PDU Technological development.
- To be globaly first-class professional PDU manufacturer.
- Designated modularised and multifunctional power distribution units for cabinet.
- Providing complete Technological solutions for customers.
- The data center environment monitoring and managing integrated solution.
- 3 Years warranty on Clever products.

All Clever's PDU products are manufactured by environmental protection materials and components, accord with the regulations of European Union RoHS directive, and we had passed test of SGS.
